Could Your Current Accountants Be Doing More?

Book a free meeting with us to find out

At Greaves West & Ayre we're experts in accountancy, tax, IT, financial services and business growth.

Our team based at our offices in Berwick upon Tweed and Haddington provide reliable and valuable advice on a wide range of areas in many different business sectors.

We're happy to come to your premises for a free, no obligation meeting to discuss the ways we can help.

Professional, personal and proactive

Our service covers basic compliance, but we have so much more to offer including:

- A complete business review
- A holistic business service including independent financial advice
- Personal service through designated points of contact especially at partner level
- Our proactive approach helps structure your business in the right way and save tax
- Advice and help with business growth

Adding value to your business

At Greaves West & Ayre, we like to think of ourselves as business partners you can trust and turn to for advice.

What if your current accountant isn't doing all they could for your business?

What if you're paying too much tax because of the way your business is structured? What if you can't get the right advice on your plans for future growth?

We will work with you to put a clear and achievable growth strategy into place by understanding your goals and ambitions.

Financing growth plans can prove to be a stumbling block for many ambitious businesses, but with our wide range of experience and expertise to call upon, we can help you identify and explore all your options.

Counting beans only scratches the surface when it comes to business finance. For more information visit: www.greaveswestayre.co.uk
